# SALLY Games 2017

Dear Soccer Players, Families and Friends,

Welcome to the 17th Annual Soccer Against Leukemia & Lymphoma! Every year we are thrilled to host returning and new teams – many of you have been with us from the very beginning. That beginning was the wonderful idea of Pam Jones, who was participating in the Team in Training program to run a marathon. She asked a core group if we would help organize a one-day women's soccer tournament to benefit the Leukemia & Lymphoma Society – and here we are 17 years later!

SALLY Games has an established place in our soccer community and with many soccer players and families. We did not ever dream that it would have such an incredible impact on our local community, let alone the communities a distance away – our heartfelt appreciation extends to all of you – the team managers, players, families and so many others.

One hundred percent of the proceeds from registration fees, t-shirt sales, raffle ticket donations and snack bar purchases are donated to LLS supporting medical advances in treatment research, which translates into improved patient services. It feels good knowing we are making a difference in the lives of others – every dollar matters. With this year's event, we will likely surpass \$125,000 funds raised!

Part of our mission is friendship first, competition second. This means no excessive goal scoring and no confronting the referees. We anticipate you keeping this perspective all day as you step on and off the pitch. Remember the referees are donating their time because they believe in our cause – before you leave the pitch be sure you extend your appreciation and say, thank you.

Please join us at the noon hour in the registration area for the mission moment from our honoree. The mission moment is the story of a patient's journey and how LLS makes a difference. We will draw raffle tickets and post the winners on a poster board – after 1:00pm, come check the poster board to see if you have a winning ticket.

On behalf of the SALLY Games Committee, we are grateful for your continued commitment to this tournament. We are proud to collaborate with you in supporting LLS.

Have a wonderful day!

The mission of the SALLY Games is to raise funds for The Leukemia & Lymphoma Society (“LLS”). LLS is a not-for-profit, voluntary health organization whose mission is to cure leukemia and its related cancers — lymphoma, myeloma and Hodgkin’s disease — and to improve the quality of life of patients and their families. LLS provides funding for research, public and professional education, patient aid and community service programs.

3. All games will be final and protests will not be accepted.
4. **LENGTH OF GAMES:** Games will consist of two 25-minute halves with a 5-minute break between halves. A minimum of three games will be used to establish standings within each division.
5. **POINT SYSTEM FOR TOURNAMENT:** Standings in each group will be determined as follows: 3 points for a win, 1 point for a tie, no points for a loss, and one point for a shutout. Bonus points for goals scored: one point per goal up to three in a win, one point per goal up to two in a tie, and one point per goal up to two in a loss. The maximum number of points possible per game is: 7 points for a win (including a shutout point), 3 points for a tie, and 2 points for a loss. Points awarded for a forfeit will be five (score 1-0).

7. Unless agreed to by both teams, there will be no playing of the ball on the ground with the exception of the goalkeeper in the penalty area.
8. Charging the goalkeeper will not be permitted at any time when she is within her own penalty area. This rule applies regardless of whether the goalkeeper has or does not have possession of the ball. No bodily contact with the goalkeeper may be made if it can be avoided. Violation of this rule will be considered dangerous play.
9. Knee braces made of hard, unyielding material are illegal unless the hinges and other hard surfaces are covered with at least 1/4 inch of closed-cell, slow-recovery rubber or other material of the same minimum thickness and having similar physical qualities.
